

ALL STARS

INDUSTRIAL HAND TOWELS

ALL STARS are strong reinforced handy wipe towels in a self dispensing tub that are presoaked in a natural organic citrus solution. ALL STARS are convenient waterless cleanup alternative. They're so convenient you can use them on your hands, your equipment, vehicles, and all types of furniture. They work great when you have to remove grease, tar, ink and even sealants. ALL STARS will not leave a residue after cleaning. The versatility of ALL STARS makes them the most powerful cleaning tool available. They contain lanolin to keep your hands soft and fresh. They have an automatic snap back lid that keeps the towels fresh until you use the last one. ALL STARS eliminates your need of having 4 or 5 products sitting on your shift.

FOR USE BY	FOR USE ON	FEATURE-BENEFIT
Mechanics	Car Interior	Waterless
Auto Detailers	Counters	Use On Any Surface
Food Services	Desks	Heavy-Duty

Painters	Shoes	Silicone Free
Pipe Fitters	Stoves	Deodorizes Surface
Plumbers	Tables	
Roofers	Tools	
Telephone Lineman	Toys	
Transportation	Walls	
	Wheels	

DIRECTIONS

Remove lid from canister and remove inner seal from lid. Thread towels through outlet in lid. Avoid pushing finger through opening. Screw lid to top of canister and pull towel at an angle allowing it to tear free from the roll. All Star's lid will snap shut inhibiting evaporation of remaining towels. Dispose of used towels in the trash and avoid flushing down toilets.

TECHNICAL DATA

Appearance and Odor:	Solution is absorbed into Towel,
Boiling Point:	Pleasant Odor
Specific Gravity:	>200° F
Evaporation Rate (buyl Acetate = 1.0	1): <0.1
Vapor Density:	>5
