NET CONTENTS: One Gallon (128 fl. oz.)

Manufactured By: Total Solutions[®] • 1-800-743-6417
PO Box 240014 • Milwaukee, WI 53224 • athea.com

DESCRIPTION

This product is designed to clean grease, grime, spoiled food, vomit, urine, feces and other organic spills on kitchen and restroom floors. Its unique formula contains selected strains of natural enzyme-producing bacteria. These special strains of bacteria are efficient at digesting organic waste to eliminate waste and odors at their source. Safe to use on all surfaces not harmed by water.

DIRECTIONS

SHAKE WELL BEFORE USING. DO NOT MIX WITH HOT WATER.

For cleaning many types of surfaces including concrete, quarry tile, ceramic tile, brick and any grouted floor surface without floor finish, dilute 4 ounces of product into 1 gallon of warm water. Solution may be mopped or brushed on to floor. Rinse with clean water.

DISPOSAL

Offer empty container for recycling. If recycling is not available, discard container in trash.

Please Recycle.

*For industrial and commercial use only.
