BugForce

Bioenzymatic Treatment For Organic Waste

CAUTION: KEEP OUT OF REACH OF CHILDREN
See back panel for additional cautions

Bug Force contains powerful enzyme producing bacteria that break down organic material. The added fragrance will quickly neutralize any malodors while liquefying organic waste, grease and food byproducts. Bug Force may be used to remove pet odors from carpets and will reduce costs associated with odor control and septic tank maintenance.

FOR USE BY / ON

Municipalities, Hospitals, Hotels, Nursing Homes, Schools, Prisons, Funeral Homes, Apartments, Restaurants, Kennels, Clinics, Porta Toilets, Marina's, Remediation Services, Septic Tanks, Drain Lines, Toilets, Water Fountains and Grease Traps

DIRECTIONS

- Drain Maintenance: 4-6 oz per 2" of pipe
- System Shock: 4-6 oz daily
- Septic Tanks: 8-10 oz per week
- Grease Traps: Less than 20 cu ft - 4-5 oz daily
More than 20 cu ft - 8-10 oz daily
- Porta Toilets: Add 1 Gallon, cover remaining sludge with water.
- General Odor Control: No dilution required
- General Cleaning: 1 Pint per gallon of water for carpet and hard surfaces. Apply with trigger sprayer.
