

# Enviro-Terra Bowl

Safe Acid Replacement

This product is a powerful yet safe multi-functional cleaner that combines the high cleaning performance of an acid with the mildness of liquid dish soap. With a pH of 1, it has the cleaning power of an acid, yet it is safe to the touch. It is an ideal alternative to typical Non-Acid Bowl Cleaners.

The thick, clinging formula will coat the surface of bowls and urinals, and will effectively remove rust, minerals, uric acid, and hard water deposits. The gentle formula is safe for plumbing and septic systems.

## Effective Against :

- Calcium (hard-water scale)
- Soap scum
- Lime deposits
- Rust and discoloration

## Features and Benefits

- Removes rust mineral, uric acid and hard water deposits
- Economical without compromising cleaning performance.
- Thick clinging formula.
