

Enviro-Terra HD

Acid-Replacement Cleaner

Enviro-Terra HD is a true breakthrough concentrated cleaner. With a pH of less than 1, and twice the strength of Enviro-Terra Concentrate, this multipurpose cleaner generates the high cleaning power of an acid, yet it is as mild to skin as liquid dish soap.

Cleans stains, rust and algae from concrete buildings and walks; removes cement from construction equipment, trucks, pouring forms, structural steel and tools; dissolves hard water build-up, lime, scale and corrosion in boilers, air conditioners and refrigeration units, condensers and circulating systems. A proprietary inhibitor package prevents damage to metals, and detergents and wetting agents enhance cleaning actions. It is nonflammable and biodegradable. Part of the Enviro-Terra product family.

Use on:

- Concrete Buildings and Walks
- Tools
- Circulating Systems
- Construction Equipment
- Boilers
- Trucks
- Trucks
- Air Conditioners
- Structural Steel
- Pouring Forms
- Refrigeration Units
- Condensers

Effective Against

- Stains
- Hard Water Build-up
- Rust
- Lime
- Cement
- Scale and Corrosion

Features and Benefits

- pH is less than 1, but safe to users
- Concentrated formula can also be used RTU
- Biodegradable
- Non-flammable

Properties

Appearance.....	Red Liquid
Fragrance.....	Mild
Specific gravity.....	1.09
pH.....	< 1.0
VOC content.....	<1.0% by Wt.
Application.....	Spray or foam onto surface

Directions *Complete directions on product label*

May be used at full strength or diluted with up to 10 parts of water. May be sprayed or used with a foamer. Rinse thoroughly with water.

Ingredients

Water	7732-18-5
Organic Acid Salt.....	506-89-8
Anti-Staining Solution	Proprietary
Surfactant Blend.....	Proprietary
Xanthan Gum.....	11138-66-2

Safety

DANGER: May be corrosive to metals. Harmful if swallowed. Causes serious eye damage.
