Special
Anti-Resoiling Formula
• NEUTRALIZES ODORS CAUSED BY STAINS

KEEP OUT OF REACH OF CHILDREN

NET CONTENTS: One Quart (32FL. OZ.)

Manufactured By: Total Solutions[®]
PO Box 240014 • Milwaukee, WI 53224
1-800-743-6417 • athea.com

DESCRIPTION

Using the power of hydrogen peroxide, Hydro Power Carpet & Spot Remover is the next generation in cleaning. There are many "oxygen based" carpet spotters on the market these days, but Hydro Power Carpet Spot & Stain Remover is different because it is formulated at a higher pH than other cleaners. Hydrogen peroxide is more active at a higher pH, which means better cleaning and stain removing properties than the other market brands.

OTHER FEATURES INCLUDE:

- An anti-resoiling agent to prevent stains from reappearing before extraction.
- Surfactants dry to a brittle, non-tacky residue easily vacuumed away.
- Coats carpet fibers to prevent resoiling which is not detectable by feel or appearance.
- Destroys odors caused by stains.

REMOVES SOILS SUCH AS:

Coffee, Red Wine, Tea, Juice, Kool-Aid®, Grass Stains, Ink, Blood, Grease, Pet Stains, Soda & More.

DIRECTIONS

Spray product on stain or soil. With a clean dry cloth, work from the outside of the stain towards the middle in a circular motion. Allow to dry to an invisible powder which may be vacuumed away at any time. Always test in an inconspicuous area before using.

DISPOSAL

Offer empty container for recycling. If recycling is not available, discard container in trash.

Please Recycle.
