Manufactured By: Total Solutions[®] • 1-800-743-6417
PO Box 240014 • Milwaukee, WI 53224 • athea.com

DESCRIPTION: This product contains a special blend of bacteria strains, both aerobic and facultative, chosen for their ability to digest and liquefy organic waste quickly, efficiently and without odors. This product consumes organic matter to eliminate odors at their source on most kitchen and bathroom surfaces, toilets, urinals, rugs and carpets.

DIRECTIONS

SHAKE OR MIX WELL BEFORE USING - DO NOT MIX WITH HOT WATER

TO CONTROL SURFACE ODORS

- Clean offensive-smelling soil from surface.
- Dilute this product at a rate of 1:1 with warm tap water.
- Spray a heavy mist on surface and allow to dry.

TO CONTROL ODORS ON UPHOLSTERY AND CARPETS

- Clean offensive-smelling soil from fibers.
- Dilute this product at a rate of 1:1 with warm tap water.
- Spray a heavy mist on fibers, soaking them thoroughly.
- Brush solution into the material.
- Lay a damp towel over area and keep moist for 24 hours.
- Severe odors may require daily applications for up to 10 days.

TO KEEP DRAINS CLEAR AND ODOR-FREE

- Pour 2-8 ounces of this product in drains per week.
- Apply to lower floors first and apply at the end of the day when flow is at its lowest.
- Do not flush with hot water.
- Do not use bleach or disinfectant within 24 hours of using this product.

DISPOSAL

Offer empty container for recycling. If recycling is not available, discard container in trash.

Please Recycle.
