

Low Foam Extractor Concentrate

For steam and hot water extractors

This powerful liquid detergent cleans and brightens all types of carpets and rugs for longer life and better appearance. Its water-based formula is fortified with anti-soil agents and optical brighteners to remove embedded dirt and ground-in grime. It was designed for use in steam and hot-water extractors, and it's safe to use on all synthetic and natural fibers including those with factory-applied anti-soil treatments.

Use On

- Upholstery
- Drapery
- Fabric
- Rugs and carpets

Features and Benefits

- Promotes efficient operation and reduces power consumption.
- Suitable for use on synthetic and natural fibers.
- Removes imbedded dirt and ground-in grime.
