

Triple Threat

Complete broadleaf control

A water-dilutable, concentrated selective herbicide that kills a wide variety of broadleaf weeds without harming existing decorative turf or grasses. Designed for application on lawns, parks and ornamental turf areas, it also kills poison oak, poison ivy.

Use on:

- Lawns
- Parks
- Ornamental turf

Do not apply to Dichondria, Lippia, St. Augustine and Clover lawns.

Effective Against:

- | | | | | |
|------------------|-----------------|-----------------|--------------|------------------------------|
